

Welcome to the 2009 Berthoud Area Chamber of Commerce Membership Directory and Visitor's Guide — a comprehensive publication designed to showcase our Chamber members and highlight our unique community and heritage. Whether you're a visitor or long-time resident, I am confident you will find the Directory and Visitor's Guide to be a great resource.

The Berthoud Area Chamber of Commerce is committed to providing an array of growth opportunities for our members through networking events, educational luncheons, community celebrations and unique promotional activities. In all of these endeavors, we strive to incorporate the latest technology developed for effective member marketing and management.

Keeping the best interests of our diverse membership in mind, the Berthoud Area Chamber of Commerce aims to maintain meaningful partnerships with key organizations in the area including: local government, the Thompson School District and a multitude of non-profit efforts.

Our success as an organization would not be possible without the support of our membership and loyal community members. I see each as a colorful thread that, when woven together, creates a beautiful tapestry known as Berthoud. I hope you enjoy our community and everything it has to offer. Thank you for your patronage and welcome!
