

Christmas in Berthoud 2009 Sponsorship Form

Funds received from the Christmas in Berthoud 2009 provide financial support for families who cannot afford Christmas presents for their children. We raised over \$10,000 last year, supporting over 75 families and we anticipate raising more this year with your help.

Your sponsorship or other donations may be tax-deductible under IRS Section 501(c)(3). If you are writing a check, you can use your check as a receipt of your donation.

For financial sponsors, we would like to acknowledge your generous donation with an ad in the local paper, your company's name as a program listing, and a thank you letter. If you would like to sponsor a tree or wreath, we would like to acknowledge all of our generous donors with signage near your donation with your company's name.

Sponsoring a tree and wreath is on a first-come, first-serve basis. We have 9 trees available, 10 large wreaths and 35 small wreaths. The Sponsorship Coordinator can contact you with more information if you are interested.

Checks should be made payable to Christmas in Berthoud 2009 referencing Sponsorship. All forms must be completed and returned with payment by November 25, 2009.
