Dear Friends, Family, Colleagues and Community Supporters,

Let's PLANet Giving, Inc. (LPG) is a 501(c)3 nonprofit organization dedicated to building a strong community through charitable support and outreach for those enduring some of life's most difficult challenges.

It is with great sadness that I convey the news that Berthoud resident, and long-time community supporter, Cliff Montano has been diagnosed with Squamous cell carcinoma. Over the years Cliff has helped countless youth, not only in Berthoud but also in Longmont and Loveland, through employment at his business (Brick Oven Pizza), mentoring, and donations to school events. Now Cliff needs our help!! As a self-employed small business owner he has neither health nor disability insurance and cannot afford the aggressive cancer treatments he desperately needs to survive this deadly disease.

It is critical that we, as a community, **raise \$50,000 for his treatment by the end of April 2018.**

**This is a matter of life and death for one of our own Berthoud citizens who has given so much of himself to others.**

On Monday, April 30<sup>th</sup> Lets PLANet Giving will be sponsoring a Spaghetti dinner and concert to help raise the money necessary for Cliff to receive the treatment he needs. To Cliff's delight FACE, the internationally acclaimed all-vocal rock band from right here in Colorado, will be entertaining us all for the evening... and many wonderful items are being collected for a silent auction you will not want to miss.

Please consider supporting this upcoming fundraiser to help Cliff secure the funding necessary for his aggressive cancer treatment .... he is an essential member of our community that we cannot afford to lose.

LPG is seeking sponsors, silent auction items and financial gifts of any size. Let's PLANet Giving, Inc. (LPG) is recognized as a public charity under Internal Revenue Code section 170(b)(1)(A)(vi) and has 501(c)(3) status. Donations to LPG are tax deductible to the extent allowed by law. Donors should consult their tax advisor for questions regarding deductibility. A copy of LPG's IRS determination letter is available upon request.
